Recount

We had an order shipped to a client, and they claimed we short shipped 33 cases worth over 100k. We begged them to recount again and again, but they still claimed short, and they requested a revised invoice deducting 100k! I did not get lost, I just started Thanking Hashem for this challenge, and thanked for the Yeshuah that will surely come. Thank You Hashem, my driver was able to make it back to them before closing to recount with them and they even found a surplus! THANK YOU HASHEM!

IRS Dismissed

We have been struggling with the IRS on an audit from years ago. They are unjustifiable where trying to claim we owe big money for a few years. It took many months of back-and-forth negotiations, but we have just been advised that the case has been voided and we owe them 0! We promised to thank Hashem in public when this gets resolved. Keep on thanking and you will see Hashem's miracles!

Full Account

Yesterday I had less than \$10 in my bank account. I thanked Hashem for always providing whatever I needed financially and for this challenge. I told Hashem whatever I need to get through the week and said that He has never let me down and surely will provide now as well. This morning, I see a direct deposit from the IRS in my bank account for a big chunk of money! Thank you Hashem for your miracles!

Thought of the Week

The holy תפארת שלמה זי"ע writes: It is written in Tehillim, פתחו לי שערי צדק אבא בם אודה קה He explains, in order to open the gates of heaven, a Jew must first praise Hashem and then he can ask for what he wants. We can see it by קה אודה where right after a person can say אנא ד' הושיעה נא A similar example is shown in the Gemara in מסכת ר"ה where it states לעולם יסדר אדם שבחו של אנשי השי"ת ואח"כ יתפלל Due to this, the אנשי פסוקי דזמרה put together the זמרה, which are composed in gratitude to the Creator and after that, a Jew can then pray for his needs.

Watch Found

I lost my good and expensive watch. For over a week I said, "Thank You Hashem for all the times I had it and finding it in the past when lost". I promised to thank Hashem in public when I find it. A few minutes later I found it, in a place I was sure I checked! Thank You Hashem!
