Delivered Through Thanking

I ordered something from America almost 3 months ago and never got it. The tracking showed it in the country for a while, but I was not able to track it here. I said that I would thank Hashem here if it would come soon, and it came today! Thank you so much Hashem!

Thanking Hashem is the Key

I have an amazon account that has been closed for the last 2 years. Whatever I tried to get it open, did not help. Last week, a friend of mine suggested that I thank Hashem, and try to send in a request again. I did it, and today I got a response that my account is open!

First Try

I went to have a blood test today. Normally they have to try about 3 times on each arm to find a vein. Often the vein collapses, and they have to start all over again. Today, I thanked Hashem and said מזמור לתודה before they started. Thank You Hashem, the nurse got all the blood needed in the first try!

Friend's Offer

Our car broke down on Thursday, and we had a lot of errands to take care of. We were trying to stay calm and figure out what to do, but everything was falling through. We even tried renting a car, but when we got there they said there were no cars. I told my family to stay calm and thank Hashem for all the times we had a car. A few minutes later a friend called and said we can use his second car! Thank You Hashem!

Thought of the Week

The נועם אלימלך הקדוש זי"ע says, "It is written שְׁלַח לְעַמּוֹ צְוֵה-לְעוֹלָם בְּרִיתוֹ that Hashem sends the cure before the issue arrives. What is the cure? It is the thanking and praise that His children are saying to Him. This is the cure, like it says מְצַמֶּיחַ יְשׁוּעוֹת בּוֹרָא רְפוּאוֹת Through that comes תְּהִלּוֹת So explains the Pasuk שְׁלַח לְעַמּוֹ which means that the cure was sent by Hashem through בְּרִיתוֹ צְוֵה-לְעוֹלָם that we keep His Torah and mitzvas and we thank and praise Him every minute of the day."

Leg Pain

I had a strong pain in my leg that started in the middle of the night and did not let me sleep. It stopped soon after I recited twice the "Tefillas Todah" and prayed and promised to publish my thanks! Thank You Hashem!
