Corona

I got Corona and went to the hospital to get the anti-body treatment (Regenron). I said before I went into the hospital, "If it will not be busy, and I will get approved for the treatment, I will thank Hashem in public". Thank You Hashem, it was not busy, and I was approved! Now within 12 hours I feel already 100 times better!

Locked Out!

I was on the way to pick up the kids from school with my older daughter, when the electric doors of my car locked. I could not get them to open. I tried everything, but the locks did not work, and the electric keys didn't either work. My daughter was beginning to panic, especially as the kids were waiting to be collected. I was actually quite calm as I said out loud, "Thank You Hashem for all the times my car doors worked. I know I took it for granted that car doors should open when I need them to and please let them work now and I'll thank You in public". Within a second, the doors unlocked automatically, and we arrived to the playground just in time!

Sleeping Baby

For a week in a row, my baby kept waking up at around 2am crying for an hour or so. Last night before going to sleep, I asked Hashem to help me, and I will thank Him publicly if she sleeps through the night. My baby slept through the night! The power of thanking Hashem and realizing that He is in control!

Thought of the Week

אָז יִשִׁיר מֹשֶׁה וּבְנֵי יִשְׂרָאֵל אֶת הַשִּׁירָה הַזֹּאת לַד' וַיֹּאמְרוּ לְאָמֵר.

It can be understood that the feeling of joy is mainly in the heart, so why must one sing and say the praise. The reason for that, is that joy that is only in the heart lasts only for a short time. But when a Jew says the praise with words and sings a song to the Creator, the praise lasts forever. Therefore, it is written,

אָז יִשִׁיר מֹשֶׁה וּבְנֵי יִשְׂרָאֵל אֶת הַשִּׁירָה הַזֹּאת לַד' וַיֹּאמְרוּ לְאָמֵר.

they actually said the praise לְאָמֵר, in order for it to last forever.

21 Years!

Let us never stop thanking Hashem! Never stop believing! Never give up! Never stop Davening! Our neighbors here in Eretz Yisrael were blessed with a baby girl on Shabbos Hagadol after 21 years of waiting! Thank You Hashem!
