Health Scare

I had a very big health scare and had to take a test which made me very nervous. I kept on thanking Hashem and said the Tefillas Todah as I learned from being part of this group. I promised that I will thank Hashem publicly, when I get the good results back. I just got the results that everything is clear! Now, I would like to give my thanks to Hashem publicly. Thank You Hashem!

One Visitor

My father was in the hospital over Shabbos, and they allowed 1 visitor at a time. My brother and mother were there already, and they would not allow me to enter. Then my mother tried her luck to get me in. Meanwhile, I said I will thank Hashem in public, and I said Tefillas Todah twice. My mother came back, and we were both able to go in at the same time! Thank You Hashem for allowing us all 3 to be there with him!

Itchy Itch

I touched something and got some kind of infection on my hand that was itching. I could not sleep for 2 nights. I went to the doctor and he gave me a cream, but I did not have a chance to use it. I thanked Hashem instead, and promised to thank him in public if I will be able to sleep through the night. The next night I slept through the night! I realized that thanking Hashem is the best medicine!

Thought of the Week

The באר מים חיים הקדוש זי"ע writes, that when a Jew says " כל מה דעביד " and he thanks Hashem for everything, by this the מידת הדין is turned into מידת הרחמים, where judgement turns into grace and mercy. The same thing goes for when a person is receiving חסדים from Hashem, he must always remember to thank Hashem, so that the חסדים should remain and not be taken away from us.

Wi-Fi Fixed

My Wi-Fi was not working, and my text was not delivering. Being as there was someone who I wanted to get in touch with, it was very frustrating. I then realized that Hashem decides when I do or do not have service and asked Him for help. Right away I got service and was able to send everything! Thank You Hashem for all the times (99.99 percent of the time) that I have service without a problem, without even thinking twice!
