Taxes Paid

Thank you Hashem for always providing for us at exactly the right time. Today, we had to make a very large tax payment and we were a few thousand dollars short. Being part of this group gives me peace of mind. I thanked Hashem for all the times He provided for us. Today, my husband got paid a large sum of money for a job he had done, therefore we were able to pay the tax bill on time! Thank You Hashem!

Roadside

I mistakenly dropped my purse today on the road and started panicking. Where would I even begin to look for it?! I said Mizmor L'sodeh and promised to thank Hashem in public if I find it. Then, I walked back the route I came in, and found it lying on the side just where I dropped it in the middle of the road! Thank You Hashem!

Red Line!

My son had a red wound on his hand that was infected and needed medical care. I said Tefillas Todah and promised to thank Hashem in public if I do not have to go to the emergency room on Shabbos. Thank You Hashem!

Thought of the Week

In the Gemara מסכת תענית it is written, אמר רבי הושע בן לוי כל השמם ב'סורין שבאין, עליו מביא ישועה לעולם, which means, that anyone who accepts the suffering and difficulty he goes through, with love, and believes that everything comes from Hashem, and is for his own good, and thanks Hashem for it, brings salvation not only for himself but also for the entire world itself. Always remember to thank Hashem. Not only will you be saved, but others will also benefit from it.

Insurance Coverage

I went to the dentist for a checkup, and they told me I need some work done. Since I have no dental insurance, I would need to pay just as for the first visit. The work needed, is a lot of money, but was not worth getting insurance which would be even more. Out of nowhere, I got an email that my insurance will be adding dental to the plan at no additional cost starting June 1st. Thank You Hashem!
