Like New for Free

I drove a car for a year and did not do an oil change. My car broke down last Friday on the way to Lakewood, and the engine was completely shot. It would have cost me \$6-7K to replace. I took it to Hyundai; they easily could have said it was negligence and my responsibility. Thank You Hashem, I just got the news, they will cover all the costs!!

Prescription Found

I lost my prescription this morning and had to go to the doctor within the next half hour. I was searching for it and could not find it. I promised Hashem that I will thank Him in public once I find it. I went to look in a place where I would not imagine it can be there, and I found it there! Thank You Hashem!

Thanking Hashem, is Chinuch

We ordered dinner as a treat for Rosh Chodesh and to celebrate my daughters Chumash party. The delivery got messed up and the driver had to go back. My kids were getting hungry. I said to my 7-year-old, "You know what to do". She started to thank Hashem for all the times our order was correct and asked that this one should be too. Within 5 minutes, the dinner was delivered and still hot enough! Due to the mess-up, the whole dinner was refunded too! Thank you Hashem for always providing us with food and for a beautiful Chinuch opportunity!

Hashem Never Sleeps

I was driving on the highway in the middle of the night and was in need of gas. All the gas stations were closed at this late hour. The yellow gas light was on, and then it turned red! I was losing my phone signal as well! I called the police to guide me to the nearest 24-hour gas station. They told me I need to drive another 30 minutes! I thanked Hashem for helping me until now and asked for the future as well. My car was driving on fumes, but Thank You Hashem, I got there at the last second!

Thought of the Week

It is written in Tehillim chapter 1, זבח תודה ילבדנני ושמ דרד אראנו בישע אלקים.

Say's the holy ז"ע that Hashem leads the person according to the way the person acts. If a person seeks to see the good in the Creator and thanks Him, then Hashem gives more goodness to the person, so he should have plenty more reasons to thank Him.
