Disaster Avoided

I want to thank Hashem publicly for the amazing **on** that happened with me today. While making a turn in a very large vehicle onto a busy street in Manhattan, I clipped the corner of scaffolding under construction. The whole scaffold shifted, and beams started falling! Thank You Hashem that no one was walking under it!

Business Aspect

We expanded our business a couple of months ago, and we went through a very difficult time with one of the new aspects. I was waiting to get answers from one of my new associates for weeks and could not get a meeting with him. Today, I asked my associate to call me late in the day, and I promised that if I still hear from him tonight and everything will settle down, I will publicly thank Hashem. I was doubting that I will still hear from him, but sure enough, he called me a few minutes later! We had a very productive conversation, and everything is settled! Thank You Hashem!

Thank Hashem Always

Our Wi-Fi stopped working. My husband works from home and needs it all day, and my son who is studying for his exams also needed it. We tried resetting it at the hub as well as online, but no luck. Eventually we called the company, and they said they can see there is a fault and will need to send someone to fix it. When I was out the room, my son suggested that he and my husband thank Hashem for all the times the Wi-Fi worked without any trouble. They then reset the hub once more, and it worked immediately! Thank You Hashem!

Thought of the Week

וַיֹּאמֶר ד' אֶל-מֹשֶׁה הַנְּגִי מִמִּטֵּיר לָכֶם לֶחֶם מִן-הַשָּׁמַיִם.

The **נעם** אלימלך הקדוש זי"ע says, that Hashem says to the Jews, "You are asking for **parnasah**, **הַנְּגִי מִמִּטֵּיר לָכֶם לֶחֶם מִן-הַשָּׁמַיִם**. I am always ready to give you **parnasah** straight from **שמים**. The only thing that I ask of you is **וַיֹּאמֶר**. **הָעַם וְלִקְטוּ דְבַר-יְיָ בְּיוֹמוֹ.** That you should have faith in me and say thank you with praise every single day. Through this your **parnasah** will come in abundance, without any sorrow."

Overnight Ache

Last night I had terrible stomach pain and could not sleep. It worried me as to what it can be. So, I thanked Hashem for always being healthy, and prayed that in the morning it should all be good, and I should be able to go on with my day. Now in the morning it is all good, I can work like nothing happened! Thank You Hashem!
