Benefits

I had a phone call interview with HMRC today, looking into my benefits and income. I was worried they would start asking for paperwork, proofs, bank statements, and it would be a hassle. I said that I would thank Hashem publicly if all goes easily and they do not ask for anything. Thank You Hashem, they only asked basic questions that were easy to answer, and then told me all was complete and do not need to send or show anything, and everything will continue and restart any payments that were on hold!

Dance & Sing

I put my baby daughter into bed, and after a few minutes she started crying. I said to Hashem, "Hashem, I'm going to see why she is crying, I promise you that if she stops crying right before I come into her room, I will dance, and sing Thank you Hashem". I walked over to her room, and right before I reached the door, she stopped crying! Thank you Hashem! I started dancing and singing Thank you Hashem!

Sefer Info

My father is writing a Sefer. While editing a file on his computer, he suddenly lost a huge amount of information in that file! He called me up frantic that I should help him retrieve the information. I right away started thanking Hashem and asked Him to help me. My father started thanking Hashem too, and instantly calmed down. Less than 5 minutes later, we found all the lost information! Thank You Hashem!

The Perfect One

I wanted to go to a specific country for the summer. I called them a little late, and they did not have any bungalows left. They told me they can add me to the cancellation list, but they have too many people before me, so they do not think I will still get anything. I kept Thanking Hashem. Yesterday, after a long while, they called me back that they had a cancellation, and I can come if I want. They had the perfect dates I wanted, and the perfect bungalow I wanted! Thank You Hashem for making everything perfect!

Thought of the Week

It is written in Tehillim, perek ג"א,
כִּי-טוֹב חֲסֹדֶךָ מִחַיִּים שְׁפֹתַי יִשְׁבְּחוּךָ.
 Says the holy Tiferes Shlomo Zt"l, that a Jew should thank for the Zechus, that he can thank and praise our great Father in heaven, because the chased that comes through thanking is the greatest chesed a person receives in his entire life. As it also states in the Pasuk, **טוֹב-ד' לְגַל וְרַחֲמֵיו עַל-כָּל-מַעֲשָׂיו**, Hashem is so good, **יִדְוֶךָ ד' כָּל-מַעֲשָׂיךָ**, that we can all praise Him for all of His kindness. We say in שמר in every day, **הַקֵּל, אֵב רַחֲמֵנוּ, הַמְהַלֵּל בְּפֶה עַמּוֹ**, we praise that He gives us the right to thank Him.
