Credit Approved

Thank You hashem for the approval of the "Line of Credit" for my business. I have already tried to get approved in the past but was denied. This time I thought about being thankful for all the times I had the credit I needed, and of course I was approved! Thank You Hashem!

Hashem's Code

I was about to place an order online, but somehow I couldn't apply the code I had. I placed the order, anyway, knowing Hashem will help somehow. I kept on thanking Hashem, and guess what. They charged my card much less than it said on the order! Thank You Hashem!

Nothing is for Nothing

Thank You Hashem for sending me to a place that I thought was a waste of time. However, it was really my savior! Out of nowhere, in middle of nowhere, on the road, I felt pain in my chest and I was about to ignore it. חסדי השם that I did not, and I decided to google if there was a hospital near me. There was one 5 minutes away. I got there, went into the emergency room, and 20 minutes later I was in surgery! Thank You Hashem, everything went well and I'm ok!

Just Worried

We got a little concerned when my wife and I saw something. I prayed and thanked Hashem for everything I have and promised to Thank Hashem in public when everything is over. She went to the doctor yesterday, and he said there is nothing to worry about! Thank You Hashem!

Thought of the Week

Dear Reb Yid, think for a moment about the word חשך. When you turn the letters around, it becomes שנה. Meaning, thanks in Yiddish. If you want to remove darkness from your life, start by saying Thank You to the Almighty, and then you will see the light come through, IY"H.
