## A \$10k Gift from Hashem

About four weeks ago, I spoke to a business affiliate and remembered that I'm still short 10k to pay a large bill. Without telling me, he called one of his friends to lend me 10k for 30 days. Now we were close to the 30 days and needed to pay back the loan, but I didn't have the money yet! I said I will thank Hashem in public. Just then, his partner called me, that they decided as an appreciation for doing business together for a long time, they will pay back the 10k and I don't owe them anything! Thank You Hashem!

## Safe Boat

While we were boating, the engine started slowing down more and more and it looked like the engine would just stop in middle of the water! We said we will thank Hashem publicly when we get back safely. Thank You Hashem, we made it back on the dying engine without any incident!

## Smooth Move

Thank You Hashem for a smooth completion and move, and for keeping the rain away while we moved! I could see the rain coming and promised to thank Hashem if the rain wouldn't come until we finished moving. Just as we finished moving, the heavens opened, and it started to rain!

### Thought of the Week

When we finish saying הלל, it is written, **כִּי לָךְ טוֹב לְהוֹדוֹת. וְלִשְׂמֹךְ נָא, לְזִמְרָה**. It says in the Book of חובת הלבבות, that the words of gratitude that we say to thank Hashem for the good that He does with us, helps that we can continue to thank Him, because through these acts of gratitude, we receive abundance, blessings, and salvation. Therefore, after thanking Hashem by saying הלל, we say thank you for being able to thank him.

## Only a Cavity

I have been feeling toothaches for a long time already. I thought I would need a few root canals etc. I kept on thanking Hashem for my teeth. Today, I finally got to see a dentist, and only have one cavity that needs a regular filling! Thank You Hashem!
