Trip Canceled

In one of the girl camps, there was a big trip scheduled for Tuesday. The day before the trip, the principal came in and announced that the trip is canceled, because the bus company canceled the buses. Which means that there will not be any big trips this year. The principal was ready to see a reaction from the girls being sad and really angry, even a few would say גם כי טוב ד' ווייל דער "אייבערשטער איז גוט אז לטובה. But what came next is unbelievable! A few girls started singing out loud, "אייבערשטער איז גוט כי טוב ד' ווייל דער", and within a minute the whole camp was singing along! The principal and the whole staff were in awe at that reaction. We thank Hashem for the seemingly bad, as well as the good. Even though the ending doesn't seem so.

serious. I went to 2 doctors and they both said that this is a thing that they cannot do I will have to go to the hospital. I really did not want to go to the hospital, so I started thanking Hashem, and asked that He should guide me on what to do. 4 weeks ago, I spoke to a friend of mine and he told me a name of a doctor that handles that. I contacted the doctor, got an appointment, and hoped for the best. Now 4 weeks later, the skin tag is off and Thank You Hashem it wasn't anything serious!

Roll, Roll, Roll

I was hiking down a mountain and somehow tripped. I rolled down about 3-4 meters! I rolled off the path and continued to roll and slide down. Thank you Hashem for my amazing son who jumped beside me and stopped me from sliding further. My other son slid down as well, and stopped my feet from continuing to slide, by putting them on rocks to steady them. Thank you Hashem my sons stayed calm the whole time and helped me get to safety! My husband then climbed back up the mountain from where he was and helped pull me up onto the path. Thank you Hashem that I didn't break anything, for my strong ribs which protected my organs from any damage, and for allowing me to live!

Just As Promised

Thank You Hashem my Yeshuah came today! Yesterday, I had a severe painful sciatica attack and I was unable to move much. I promised to thank Hashem in public, and to donate some money to the "Thank You Hashem" organization, and He sure helped me today!

Thought of the Week

It is written in פרשת ויצא that when Leah gave birth to Yehudah, she said, ותאמר הפעם אודה את-ד' על-כן קראה שמו יהודה ותעמד מלדת.

It is difficult to understand why, after Leah thanked, it is written ותעמד מלדת, that she had stopped having children. However, writes the holy מאור ושמש, that since Leah said 'הפעם אודה את-ד', that this time I will thank Hashem, that's when she stopped having children, because a Jew must always thank not only when he sees the good but also when he does not see the good he must believe that it is for the good.

Tag Removed

I had a skin tag that grew so big, that I started to get worried if it's something
