Fixed by Hashem

The air conditioner was making very loud and annoying noises incessantly. I acknowledged that Hashem is in complete control of this and asked Him to make it stop without having to call in help and go through that hassle. Thank You Hashem, it stopped immediately!

Successful Exam

I had an important exam today that has to be taken under very strict guidelines and is very expensive. Before the test, I tested my equipment multiple times to ensure there would be no glitch, as the test gives you only 12 minutes to log in and download the exam or else it is cancelled with no refund. I opened my computer at the start time and tried to download the program, but there was a host of issues. The clock kept ticking and I was getting exceedingly nervous that I had prepared and paid for nothing and will need to forfeit my deposit. I begged Hashem for help, as the seconds were ticking by, and my computer was not working! As soon as I started thanking Hashem, the program loaded, and the test was saved! Thank You Hashem!

Shopping with Hashem

This morning, I left with my 2 girls to the local shopping center. As we arrived and before existing the car, I said loud, "Thank You Hashem, that we will be Matzliach and find what we need for reasonable prices and Tzunisdig". When we were leaving, my daughter said to me, "You see mummy, you thanked Hashem, and in a few hours we were very Matzliach for all family members". Thank You Hashem!

Thought of the Week

This week's Parsha Chaya Sarah starts with the following: **וַיְהִי חַיִּי שָׁרָה מֵאָה שָׁנָה וְעֶשְׂרִים שָׁנָה וְשֵׁבַע שָׁנִים**. Says Rashi, that **כולם שווים לטובה***. The holy Tiferes Shlomo says, that it is quoted in Tuna D'Bei Eliyahu, **מפני מה זכה משה למאור פנים**. Why was the face of Moshe Rabeinu always radiant, because he was constantly praying that it should only be good for the Yidden. We say in Baruch Sheomar, **הקל אב הרחמן המהלל בפה עמו**, when does the pity of Hashem apply and come to us, **המהלל בפה עמו**, when a Yid thanks Hashem and praises him for all the good. The same is said by Sarah, **בת ק' כבת כ**, this is in reference to Chapter 100 in Tehillim, which is **מזמור לתודה** and Chapter 20 which is **למנוצח יעקב**. She always thanked Hashem for everything. Whether good or seemingly bad.

Hold the Rain

My neighbor was planning an outdoor Upsherin today, and it was supposed to rain. I promised to thank Hashem in public if it didn't rain. The Simcha was outdoors and beautiful. Thank you Hashem!!
