### Tefillas Todah 1pm

My daughter was hospitalized after she became weak, couldn't walk, or eat, and was getting hot and cold. She was discharged from the hospital after being in touch with Rabbi Ari Berkowitz and encouraging us to stay strong since she will be coming home shortly. We kept thanking Hashem, sponsored the daily "Thank You Hashem", and saying Mizmor L'sodah with! A day later, at exactly 1pm, which is the time that thousands say the Tefillas Todah together, we got a phone call she's going home! Thank You Hashem!

### As Promised

I needed to leave the house but couldn't find my glasses. I promised to Thank Hashem publicly when I would find them. Less than a minute later, I found them! Thank You Hashem!

### Train them Young

My 12-year-old son got a new Kippa for a simcha, and just before we were meant to go, he misplaced it. He started looking all over for it and was getting frustrated and upset. I gently mentioned that he was forgetting something. He did not know what I meant, and his younger sister who is 8 told him, "Thank Hashem that you got a new Yarmulka, and that you don't normally lose it". He shouted it out at the top of his lungs, and he had barely finished the sentence when he spotted his missing Yarmulka!

### Keeping the Money Safe

I was feeling overwhelmed as I had some very large pressing bills to pay, and I wasn't sure where I would find the money for it. I thanked Hashem for all he has done for me and tried to strengthen my Emuna. This morning, I received a letter in the post from our health insurance company, refunding us a very large sum, because they were not providing full services during the start of the pandemic over 18months ago! Thank You Hashem for keeping that money safe till we needed it!

#### Thought of the Week

והאמין it is written, פרשת לך לך in **בד' ויחשבה לו צדקה**. The Holy אברהם says, that אברנו thanked Hashem for being able to believe in Him and considered it as charity directly from Hashem. It teaches us that we should thank Hashem every minute of every day so that we can thank Him and praise Him whenever we please, and through that we'll be able to see His grace.
