The Best Negotiator

I wanted to book something, but they were charging me a very hefty price. I was negotiating with them for a while, but they didn't want to budge. Today I decided to thank Hashem for the opportunity, and asked that they should agree with my price, and promised to share it. Thank You Hashem, they just emailed me that they are accepting my offer!

A Healthy Child

We were married for over six years and did not have a child. We went to doctors, and all said they don't see anything wrong. One day, we decided to start Thanking Hashem for this challenge, and we were sure that we will be helped soon. After three months of thanking Hashem, there was good news! About one year after we started thanking Hashem, he blessed us with a beautiful and healthy child! No matter what a doctor says, as long you Thank Hashem you can get whatever you want.

Arrived on Time

I ordered a set of chargers, and I needed it before 3pm this afternoon. It said it would come today. At first, I was worried it would arrive in the evening and I wouldn't have it on me to take along. I remembered Hashem can do anything, and we just need to say, "Thank You". It just arrived at my door, two hours before I had to leave! Thank You Hashem!

Folder Located

My husband had a really important folder containing job documentation worth lots of money. It somehow disappeared, which meant losing hours of work and lots of money. I promised to thank Hashem publicly if my husband locates his work. Within moments, my husband came to tell me he managed to find the majority of his work! Thank You Hashem!

Thought of the Week

The Posuk in the "Akeidah" says, וַיֹּאמֶר קח נא את בנך את יחידך אשר אהבת את יצחק! Says Rashi, Hashem could have said right away Take Yitzchok, and Avraham Avinu would have done Hashem's command. Hashem wanted to give Avraham Avinu a reward for each word he says. Says the Holy "Sfas HaEmes," from here we can learn that sometimes Hashem gives us hardships to wake us up to thank Hashem and we will get rewarded for thanking Hashem and Hashem will help us out at the same time.
