Thank in Advance

[10:06 PM]

Thank You Hashem for an amazing trip with friends! It all worked out so well, more than expected. The weather was perfect, and the company even better. One of us has lost a phone, and with Hashem's help it will be found. Thank You Hashem in advance! We will publicly thank Hashem once the lost phone is retrieved!

[11:23 AM]

The missing phone was found! Last night I said I will thank Hashem on public when the phone is found. Now, here it is! After thanking Hashem, the Uber driver confessed that he has it!

Life Changing

Ever since I started thanking Hashem, my life changed. I would like to publicly thank Hashem for saving my life, as a car side-swiped me, almost skidding in bad weather and hitting my car. In addition, I had a meeting for work that went very well.

Thought of the Week

The Pasuk in Parshat Beshalach states, **זֶה אֵלֵי וְאִנּוּהוּ אֶלְקֵי אָבִי וְאֶרְמְמָנּוּ: ד' אִישׁ מִלְחָמָה**. The explains that **זֶה אֵלֵי** when a Yid thanks and praises Hashem for everything in life, then, **וְאֶרְמְמָנּוּ** Hashem's name becomes sanctified. Therefore, **ד' אִישׁ מִלְחָמָה** Hashem, then bestows blessings and salvations to His children and saves them from all evil.

Phone Fix

Erev Shabbos, my phone stopped working. I called my cell provider, they told me it is not their issue, so they connected me to the phone company. The customer service was trying to help me over the phone but did not get it to work. They told me I need to go to one of the local stores and gave me an appointment for Motzei Shabbos. I have loads of information from my customers on my phone, which wasn't backed up anywhere. I said to myself, if the phone will start to work again I will thank Hashem in public. Motzei Shabbos, I took out my phone, and it was working like nothing happened! Thank You Hashem for saving me a big headache!

From Swollen too Normal

Yesterday after supper, I went to the vanity to brush my teeth before going to bed. As I looked in the mirror, I noticed one of my eyes is swollen. I went to the doctor and got a cream. This morning, I looked in the mirror and my eye was not swollen! Thank You Hashem that I can see well, and it doesn't hurt! Today, I got to see her apartment that she just renovated! Thank You Hashem for helping everyone in need!
