Hashem takes Care of All

I did not know what I was going to do with the children over these December vacation days. I'm from South Africa, and there are 6 weeks off from school. Unfortunately, I don't even have money to get art stuff or a treat. I just received a message that somebody collected money for my kids to have vacation fun! Hashem looks after His children! Thank You Hashem!

Taxes Resolved

I had an issue with my old job about a big amount of taxes they had to pay. The account was on my name, and needed it resolved as soon as possible. I promised to thank Hashem in public and donate to the "Thank You Hashem" organization when all will be sorted. Thank You Hashem it is all sorted!

Learning and Thanking

I woke up with a fever yesterday and was throwing up. I had to stay home and in bed all day. Before I went to bed last night, I told Hashem that If he would make me feel better so that I can go back to work, I would thank Him publicly and start learning with my chavrusa again twice a week. Thank You Hashem, this morning I felt well enough to return to work!

Thought of the Week

ויקהל משה את כל עדת בני ישראל ויאמר אליהם אלה הדברים אשר צוה ד' לעשות איתם

The תפארת שלמה זי"ע explains that each of the specialized אבות in a specific מידה. Avraham symbolizes Chesed, Yitzchok the מידה of Gevurah and Yaakov the מידה of Simcha. When a Yid emulates one of these מידות, he connects himself to the אבות. On that note, when a one thanks Hashem he thereby connects himself to David Hamelech, as David Hamelech would always sing praises and thanks to Hashem.

A Kind Reminder

I had a shipment sent to a customer, for very expensive merchandise that wasn't showing the tracking for a few days. The customer was getting nervous as was I. I thanked Hashem for all the times that I didn't have this issue and realized the opportunity to thank Hashem for all the good He does for me. I promised to thank Him publicly once it is delivered. Thank You Hashem the package was delivered shortly after!
