Can't Thank Enough

This morning, I couldn't find my phone anywhere. I needed it very much and looked everywhere. It was wasting time and couldn't afford it. I thanked Hashem for giving me a phone and said I didn't appreciate it enough. I asked Hashem to please help me find it and said I will be Mekadesh Shem Shomayim Berabim by thanking Him in public. Then I found it! Thank You Hashem!

Dentist or Flight?

I had a flight scheduled for Sunday for a long-awaited trip. On Shabbos I started having extremely strong toothaches in an area that I had work done in the past. To cancel this trip would've caused a very uncomfortable situation. I thanked Hashem for the pain and for all the times that I don't have pain, and for the other areas that are not in pain. I thanked Hashem for healing the pain and promised to publicize and donate to the Thank You Hashem organization if it subsides. Thank You Hashem, it was almost gone so I was able to travel!

The Perfect Dress

There was this perfect dress I very much wanted for my daughter, and it was completely sold out everywhere. I didn't give up. Instead, I started thanking Hashem for always sending us the perfect dresses. Then I said Nishmas and Mizmoir Lesoida. A few days later, I miraculously found the exact dress, in exactly my daughter's size, with no alterations necessary! Thank You Hashem!

Thought of the Week

The Pasuk in Parshat Bo states, **הַחֶדֶשׁ הַזֶּה לָכֶם רֹאשׁ חֳדָשִׁים רִאשׁוֹן הוּא לָכֶם לְחֹדְשֵׁי הַשָּׁנָה:**
 The Pasuk explains, that light of the sun and the moon were both equal. However, when the moon complained to Hashem, that two powers could not reign at the same time, Hashem diminished the light of the moon. This teaches us, that no matter what comes our way, we must not complain, but rather thank Hashem for everything, believing that Hashem only does whatever is for our ultimate benefit.

Social Security

I was having major issues with my SSI and can't survive financially without it. SSI closed my account and have been appealing since the summer to have it reinstated. I promised to publicly thank Hashem when it gets reinstated and Thank You Hashem today it got reinstated!
